15.2 Cash and cash equivalents	401
15.3 The direct method and the indirect method	401
15.4 Preparing a statement of cash flows: the indirect method	405
15.5 Preparing a statement of cash flows: the direct method	413

15.6 Interpretation of cash flow information	414
15.7 Illustration	415
15.8 Summary	419
Further reading	419
Questions	419
A Test your understanding	420
B Application	420
C Problem solving and evaluation	421
Notes and references	423
Financial accounting terms defined	G1
Appendices	
I Information extracted from annual report of Safe and Sure Group plc, used throughout Financial Accounting	A1
II Solutions to numerical and technical questions in Financial Accounting	A15
Index	I1

Supporting resources

Visit www.pearsoned.co.uk/weetman to find valuable online resources.

Companion Website for students

- Multiple choice questions to test your learning
- Extensive links to valuable resources on the web
- An online glossary to explain key terms

For instructors

- Complete Instructor's Manual
- PowerPoint slides that can be downloaded and used for presentations

Also: The Companion Website provides the following features:

- Search tool to help locate specific items of content
- E-mail results and profile tools to send results of quizzes to instructors
- Online help and support to assist with website usage and troubleshooting
